

THE PRESIDENT  
OF THE

Excellency,

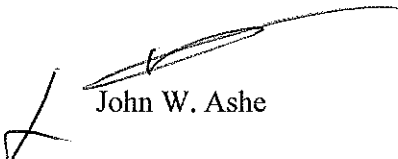

I refer to my letter of 10 June 2014 on preparations for the high-level meeting of the General Assembly on the comprehensive review and assessment of the progress achieved in the prevention and control of non-communicable diseases and the informal interactive hearing with non-governmental organizations, civil society organizations, the private sector and academia to provide input to the comprehensive review and assessment.

In that communication Member States were provided, for their consideration a list of “Other relevant non-governmental organizations, civil society organizations, academic institutions and the private sector” who may participate in the round tables of the high-level meeting, in accordance with Operative Paragraph 7 of resolution 68/271. Since there was no objection entered by the deadline provided - 13 June 2014 at 10.00 a.m. - , I have the honour to attach the list to the present letter for the attention of the General Assembly.

Information and Concept Notes and the Provisional Programme for the informal interactive hearing may be accessed on my website at:  
[http://www.un.org/en/ga/president/68/events/hlm\\_ncd.shtml](http://www.un.org/en/ga/president/68/events/hlm_ncd.shtml).

I would encourage Member States to participate actively in the hearing at the Ambassadorial level. I very much look forward to an open dialogue and interaction between all stakeholders which will provide an important contribution to the upcoming high-level meeting.
