

PERMANENT MISSION OF NORWAY  
TO THE UNITED NATIONS

The Permanent Mission of Norway to the United Nations presents its compliments to the United Nations Division for Ocean Affairs and the Law of the Sea, and has the honour to refer to the submission of Norway to the Commission on the Limits of the Continental Shelf pursuant to article 76, paragraph 8 of the United Nations Convention on the Law of the Sea made on 27 November 2006.

The Permanent Mission has the honour to clarify that the geodetic reference frame used throughout the submission of Norway is the World Geodetic System 1984 (WGS84) and request that this information be posted on the website of the United Nations Division for Ocean Affairs and the Law of the Sea as a corrigendum to the submission of Norway.

The Permanent Mission of Norway avails itself of this opportunity to renew to the United Nations Division for Ocean Affairs and the Law of the Sea the assurances of its highest consideration.
