GENERAL INFORMATION

Registration and credentials

Delegations are invited to refer to the Information for Participants (document A/CONF.213/INF/1).

In accordance with rules 1-3 of the provisional rules of procedure for the Twelfth Congress, the delegation of each State participating in the Congress should consist of a head of delegation and such other representatives, alternate representatives and advisers as may be required. The credentials (full name, title, address, facsimile and e-mail address) of representatives, alternate representatives and advisers, issued by the Head of State or Government or by the Minister for Foreign Affairs, should be submitted to the Executive Secretary of the Congress c/o Ms. Annika Wythes, 4th Floor Left Block.

Participants who do not complete the pre-registration procedure must follow the normal procedure of having a photograph taken and a badge issued upon their arrival at the registration area of the Bahia Convention Centre.

As part of the security arrangements, all participants in the Congress will be required to present their invitations or credentials together with their passports at the entrance before proceeding to the registration area of the Bahia Convention Centre, to register and collect their security passes for the Congress. Security passes must be worn visibly at all times at the Congress venue. All persons and their bags/luggage will be screened at the entrance to the Bahia Convention Centre.

On-site registration will begin on Friday, 9 April 2010, at 10 a.m., and the desk will remain open until 6 p.m. The registration desk will be open from 8 a.m. to 6 p.m. from 10 to 19 April 2010. For the high-level segment, the registration desk will be open from 8 a.m. to 9 p.m. on 16 and 17 April. Given the large number of participants expected for the Congress, delegates and representatives arriving during the week before the opening of the Congress are encouraged to register as early as possible.

It is strongly recommended that delegations submit to the secretariat the names and photographs, in JPEG format, of ministers or other delegates of similar or higher rank in advance in order to expedite preparation of VIP badges and minimize inconvenience. Those badges will be ready for collection by an authorized person at the registration desk upon arrival. Questions regarding VIP badges should be sent by e-mail to Lieutenant Imad Ahmad Zaher (imad.ahmad.zaher@unvienna.org) of the United Nations Security and Safety Service.

List of speakers

States wishing to inscribe in the list of speakers for the High Level Segment should contact Ms. Gemma Norman, 4th Floor Left Block, extension 3225.

Languages and documentation

Delegations are invited to refer to the Information for Participants (document A/CONF.213/INF/1).

Official United Nations documents of the Congress will be made available in the six official languages of the Congress. The Brazilian National Organizing Committee for the Congress has arranged for interpretation from and into English and Portuguese for all plenary, committee I and II meetings and for press briefings.

Each seat in the Congress halls at the Bahia Convention Centre in which simultaneous interpretation is available will be provided with a portable receiving set and a headphone. Participants are requested not to

remove these from the meeting rooms so that the equipment may be checked and, if necessary, batteries may be recharged before the next meeting takes place.

As part of the secretariat's efforts to reduce expenditure and limit environmental impact through the digitization of conference materials and publications, pre-session documents will be available at the Congress venue in limited number. Each delegation will receive a single, complete set of the documents in the language of its choice. Delegates are therefore kindly requested to bring their own copies of the pre-session documents to the Congress.

Memory sticks containing pre-session documentation and publications related to the Congress will be distributed to participants at the Congress registration area. Participants will receive only one memory stick at the time of picking up their Congress badge.

The main documents distribution counter will be located in Pavilion A of the Bahia Convention Centre. Each delegation will be assigned an individual pigeonhole at the documents distribution counter, in which all documents issued during the Congress will be placed. To determine exact requirements for in-session documents, each delegation is requested to advise the documents distribution counter of its requirements, specifying the number of copies of each document needed and the language (or languages) in which it wishes to receive them during the Congress. The quantity requested should be sufficient to cover all requirements, as it will not be possible to request additional copies.

National statements and/or position papers prepared by participating States will be distributed at the Congress in the languages and quantities provided by the Governments.

Information and media

Regular United Nations media facilities will be available at the Twelfth Congress, including a press centre and a press briefing room. Interpretation from and into English and Portuguese will also be available for press briefing rooms.

Media representatives wishing to cover the Twelfth Congress must apply for accreditation before or during the Congress. The online application form is available from http://www.unis.unvienna.org/unis/en/media_accreditation.html.

Accredited media representatives will receive a special press pass allowing them access to the meetings, the side events and the press working area.

The media accreditation counter in the Bahia Convention Centre will be open starting on Friday, 9 April 2010. Completed accreditation application forms must be accompanied by a copy of a press card and/or a letter of assignment, issued on paper with an official letterhead and signed by the editor or bureau chief of the journalist's media organization. Press passes will be issued at the site of the Congress.
