Recommendations contained in the report of the Senior Advisory Group on rates of reimbursement to troop-contributing countries and related issues

Statement by the Chairman of the Advisory Committee on Administrative and Budgetary Questions to the Fifth Committee

(ACABQ report A/67/749)

Mr. Chairman,

I have the honour to introduce the report of the Advisory Committee on Administrative and Budgetary Questions on the implementation of the recommendations of the Senior Advisory Group, which is contained in document A/67/749.

After having considered the Secretary-General's report, the Advisory Committee observes that it will be for the General Assembly to pronounce itself on the recommendations of the Senior Advisory Group. Should the Assembly endorse those recommendations, the Committee has no objection to the course of action set out in paragraph 57 of the Secretary-General's report.
