

## IV. Decisions

---

- (i) Recalled the relevant provisions of decision 74/537 B, and requested the Secretary-General to ensure that reports were concise, highlighted new developments since the previous report, contained actionable recommendations and included a substantive summary as had been mandated by the General Assembly in paragraph 76 of its resolution 75/244 of 31 December 2020;
- (ii) Invited the Bureau to continue to seek ways to encourage greater interaction in discussions on reports before the Committee that had been identified in consultations with delegations, including at informal briefings;
- (h) With regard to draft resolutions submitted to the Second Committee:
  - (i) Invited delegations to continue their consideration of the periodicity of draft resolutions, and also invited delegations to consider streamlining the updates on draft resolutions, in order to enhance the overall working methods of the Committee;
  - (ii) Agreed to begin discussions to determine a common definition of technical rollovers;
  - (iii) Invited the Bureau, when needed, to facilitate a separate track of negotiations, early on during the session, aimed at facilitating discussions on cross-cutting issues that would appear in several draft resolutions before the Committee, so as to avoid duplication of discussions across draft resolutions;
  - (iv) Invited delegations to consider, where possible, and on their own initiative, co-drafting the draft resolutions;
  - (v) Invited the Committee members to consider volunteering to facilitate negotiations on draft resolutions before the Committee, as a way to improve the work of the Committee;
- (i) Decided to continue to discuss and improve the working methods of the Second Committee in future sessions, and to focus the substantive work of the Committee around resolutions that would have, inter alia, the most impact on the implementation of the 2030 Agenda for Sustainable Development<sup>65</sup> in the decade of action and delivery for sustainable development;
- (j) Requested the Bureau, in that regard, to continue to update conference room paper A/C.2/75/CRP.5 on the revitalization of the work of the Second Committee and to continue to facilitate and guide those efforts;
