

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

2 November 2009

Excellency,

I have the honour to refer to General Assembly resolution 63/309 adopted on 14 September 2009, on the Revitalization of the work of the General Assembly.

In this respect Member States decided to establish, inter alia, an ad hoc working group on the revitalization of the General Assembly open to all Member States in order "to identify further ways to enhance the role, authority, effectiveness and efficiency of the Assembly, inter alia, by building on previous resolutions; and, to submit a report thereon to the Assembly at its sixty-fourth session."

I have the honour to inform you that Her Excellency Ms. Sanja Štiglic, Permanent Representative of Slovenia and His Excellency Mr. Jorge Argüello, Permanent Representative of Argentina to the United Nations have agreed to serve as Co-Facilitators for this process. I would like to thank both Ambassadors for accepting this important work.

I would like to request all Member States to extend to the Co-Facilitators full cooperation and support. It is my expectation that with the active participation of Member States, substantive progress can be achieved on our collective objective of revitalization of the work of the General Assembly during the sixty-fourth session.

Please accept, Excellency, the assurances of my highest consideration.
