

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

25 July 2013

Excellency,

I would like refer to my letter dated 9 July 2013 relating to the preparations for the High-level Meeting of the General Assembly on the realization of the Millennium Development Goals and other internationally agreed development goals for persons with disabilities.

Following consideration by Member States of a *“list of representatives of other non-government organizations, organizations of persons with disabilities, relevant civil society organizations and the private sector who might participate in the High-level Meeting”* on a no-objection basis, in accordance with operative paragraph 7 of resolution A/RES/66/124, I have the honour to bring a finalized list herewith to the attention of the General Assembly.

Please note that the final list is the same as the one circulated on 9 July 2013 since no objection was made to the original list.

Please accept, Excellency, the assurances of my highest consideration.
