**HIGH-LEVEL THEMATIC DEBATES AND EVENTS TO BE CONVENED BY  
THE PRESIDENT OF THE 69<sup>TH</sup> SESSION OF THE GENERAL ASSEMBLY**

**NOTE ON ORGANISATIONAL ARRANGEMENTS**

**Introduction**

1. On June 11, 2014 the President of the 69<sup>th</sup> Session of the General Assembly, in his Acceptance Speech, chose the theme: “Delivering on and implementing a Transformative Post-2015 Development Agenda,” for the 69<sup>th</sup> session, pursuant to paragraph 7 of the annex to resolution 58/126.
2. The President of the General Assembly also outlined seven priority areas for the session namely: the post-2015 development agenda; combatting climate change; advancing gender equality and empowerment of women; strengthening cooperation between the UN and regional organizations; peaceful settlement of disputes and peacebuilding; revitalization of the General Assembly and reform of the Security Council; and enhancing the role of the UN Alliance of Civilizations.
3. In resolution 68/6, containing the outcome document of the Special Event to follow-up on efforts made towards achieving the Millennium Development Goals, the Heads of State and Government and heads of delegation decided that “In parallel with the intensification of efforts to accelerate the achievement of the Millennium Development Goals, we are determined to craft a strong post-2015 development agenda that will build on the foundation laid by the Goals, complete the unfinished business and respond to new challenges.” They further decided to “launch a process of intergovernmental negotiations at the beginning of the sixty-ninth session of the General Assembly, which will lead to the adoption of the post-2015 development agenda.”
4. By its resolution 67/297, the General Assembly recognized “the value of holding interactive, inclusive thematic debates on current issues of critical importance to the international community” and “invited the President of the General assembly to continue this practice.”
5. The President intends to convene high-level thematic debates and events that will focus on the theme and the priorities for the 69<sup>th</sup> session.
6. The main objective of the high-level thematic debates and event is to enable member states and stakeholders to have in-depth exchange of views, in an interactive and participatory manner. It is envisaged that these meetings will contribute towards formulation of the post-2015 development agenda and mobilizing means for its implementation, while fully recognizing the mandated intergovernmental processes.

7. In order to promote coordination and synergy, the preparations for the high-level thematic debates and event will be done in liaison with the co-facilitators for the negotiations on the post-2015 development agenda and for the Third Conference on Financing for Development. The PGA will also draw on support from the UN system as appropriate.

8. More detailed Concept Notes, Background Papers and Programmes for each thematic debate and event will be provided in due course.
