Excellency,

We wish to express our gratitude for your cooperation and engagement so far in the preparatory process for the Third International Conference on Financing for Development. We have been able to move forward together in many areas in the course of the various drafting sessions and consultations to date.

We now approach the third and final Drafting Session from 15-19 June and are determined to conclude our work with an agreement on an ambitious Outcome Document by 19 June 2015. This, we believe, will be key to ensuring political participation at the highest level in Addis Ababa, and to providing a platform for the launch of concrete deliverables and initiatives in support of the Post – 2015 Development Agenda.

We look forward to working with all delegations in sparing no effort to achieve a good result in this timeframe. In this regard, we are encouraged by the spirit of rapprochement and increased contact between delegations and believe that with good will and flexibility on all sides such an outcome is within reach. To that end, delegations are invited to be prepared for evening sessions.

In anticipation of your full engagement during this final phase, please accept, Excellency, the assurances of our highest consideration.

Geir O. Pedersen  
Permanent Representative of  
Norway to the United Nations

George Talbot  
Permanent Representative of the Republic of  
Guyana to the United Nations
