

Permanent Mission of the
State of Kuwait to the United Nations
New York

28 March 2025

Excellencies, dear colleagues,

I have the honour to address you in my capacity as **Chair of the Intergovernmental Negotiations** on the question of equitable representation on and increase in the membership of the Security Council and other related matters to the Security Council (**IGN**) during the 79th session of the General Assembly.

I would like to inform you that the next session of the IGN scheduled for 15 and 16 April, which will focus on the Size of the Future Council, will now also include a cluster discussion on Regional Representation. Both topics will be discussed in the same meeting and delegations are invited to refer themselves to both topics in their interventions. We will not have a model discussion during this meeting. The **model submitted by CARICOM** will be presented by Guyana and discussed on **29 May 2025**. Following the presentation and discussion, there will be a closed interactive dialogue, which will not be webcast, in the afternoon of the same day.

Please accept, Excellencies, the assurances of our highest consideration.
