Ref: 016/09 45

The Permanent Mission of the Kyrgyz Republic to the United Nations presents its compliments to the Secretary-General of the United Nations and with reference to his note verbale LA/COD/4 dated 21 December 2010 has the honor to communicate the following.

During 2010 there were several *peaceful pickets* outside of the building of the Embassy of the Republic of Belarus in the Kyrgyz Republic. The pickets were organized mainly by the relatives of those killed during the events of April 7, 2010 in the Kyrgyz Republic. *No incident* was recorded between the Embassy staff and picketers.

The competent authorities of the Kyrgyz Republic held a meeting with Ambassador Extraordinary and Plenipotentiary of the Republic of Belarus to the Kyrgyz Republic V. Denisenko in order to ensure the safety of the Embassy and its assets. Several issues regarding the possible threats to the diplomatic mission and the security of its staff were discussed as well. Following that meeting measures were strengthened to protect the Belarusian Embassy and the residences of its staff. 225 policemen were involved in these activities. The staff of the Embassy was provided by direct phone numbers of law enforcement officials of Kyrgyzstan for emergency communication.

The Secretary-General
of the United Nations
New York

The law enforcement officials of Kyrgyzstan didn't receive any comments or complaints from the Ambassador V. Denisenko and the staff of the Embassy while ensuring public order, security and safety of the diplomatic mission.

Based on above mentioned the Permanent Mission of the Kyrgyz Republic to the United Nations does not consider those pickets outside of Belarusian diplomatic mission in Kyrgyzstan as *serious violations of the protection, security and safety of diplomatic and consular missions and representatives* set out in GA resolution 65/30.

The Permanent Mission of the Kyrgyz Republic to the United Nations avails itself of this opportunity to renew to the Secretary-General of the United Nations the assurances of its highest consideration.
