

Statement by Sweden

UNGA74, Sixth Committee

Agenda item 173:

Observer Status for the International Trade Union Confederation in
the General Assembly

Mr Chair,

The International Trade Union Confederation (ITUC), as well as the International Organization of Employers (IOE), are key actors for social dialogue on a global level and partners in implementing Agenda 2030 for Sustainable Development.

Like IOE, the ITUC has close collaboration with the International Labour Organization (ILO), which enables them to contribute to the work of the United Nations General Assembly.

Therefore Sweden welcomes and supports the application of ITUC for Observer Status in the General Assembly.

I thank you.
