

## General Assembly of the United Nations Sixth Committee (Legal)

### Seventy-fifth session (2020)

**Website of the Sixth Committee** (<https://www.un.org/en/ga/sixth/>) – unrestricted

Contains information (summaries of work, links to documents, programme of work, details of the Bureau and Secretariat, and information on informal consultations, side events and briefings) relating to the work of the Sixth Committee during the session of the General Assembly, as well as links to previous sessions (1997 onwards). It also provides links to the e-deleGATE portal, related websites on legal matters, and UN Web TV. Programme of the day of the upcoming meetings as well as the summaries of the past meetings (previously posted on PaperSmart, which has been discontinued) will be posted on the Sixth Committee website.

**e-deleGATE portal** ([edelegate.un.int](http://edelegate.un.int) - accessible from the Sixth Committee website) – restricted access

An in-session tool for delegations, providing a common space for the circulation and co-sponsorship, where applicable, of draft resolutions (e-Sponsorship module); registration in the official list of delegations for the Sixth Committee (e-List of participants module); inscription in the list of speakers (e-Speakers module) for the debate on each agenda item, as well as automatic inclusion in the Sixth Committee's Announcements email list. Access to the portal is restricted to representatives of member States and of observer States (as registered by their missions).

**Online UN Journal** ([journal.un.org](http://journal.un.org)) – unrestricted

Access the online United Nations Journal for the daily programme of each meeting of the Sixth Committee (including scheduled informal consultations), as well as summaries of prior formal meetings. Delegations are also invited to submit their statements (in both PDF and Microsoft Word formats, whenever possible) to the eStatements functionality of the Journal by emailing them to [estatements@un.org](mailto:estatements@un.org), no later than two hours in advance of the meeting. Statements will then be uploaded to the eStatements section of the digital version of the Journal. The name of the meeting and the speaker, as well as the agenda item, should be indicated in the subject line of the email and in the heading of the statement. The statements will not be released until their delivery. Only statements presented during the course of the meeting will be posted on the eStatements section. Questions relating to General Assembly documentation should be addressed to the Documents Management Section. This new eStatements functionality replaces the PaperSmart portal, which has been discontinued.

**Webcast** (<http://webtv.un.org/>) – unrestricted

The meetings of the Sixth Committee will be webcast live on UN Web TV. Archive videos will also be available on the UN Web TV dedicated committee page. Informal consultations and other closed meetings will not be webcast on UN Web TV.
