Self-represented

Counsel for Respondent:

Marisa MacLennan, UNHCR

Introduction

1. On 20 November 2020, the Applicant, a former Associate Public Information Officer at the United Nations High Commissioner for Refugees (“UNHCR”) in Stockholm was informed of the decision not to select him for the position of External Relations Officer in Pretoria (“JO 18186”) (“the contested decision”).
2. On 29 January 2021, the Applicant requested management evaluation of the contested decision.
3. By letter dated 24 March 2021, the Applicant was informed of the outcome of his request for management evaluation. The contested decision was upheld.
4. On 23 May 2021, the Applicant requested management evaluation of the outcome of his initial request for management evaluation.
5. By letter dated 9 June 2021, the MEU informed the Applicant that his request for management evaluation dated 23 May 2021 was non-receivable as “a management evaluation decision is not a separate administrative decision” that can be challenged.
6. On 9 September 2021, the Applicant filed the present application.
7. On 25 October 2021, the Respondent filed his reply challenging, *inter alia*, the receivability of the application.
8. On 24 May 2022, the instant case was assigned to the undersigned Judge.

9. Having examined the parties’ submissions and the evidence on record, the Tribunal considers itself fully briefed and that the matter can be determined based on the written submissions.
