Introduction

1. On 24 November 2025, the Applicant, an Administrative Officer at the United Nations Environment Programme in Nairobi, filed an application for suspension of action (“SOA”), pending management evaluation, of the decision to terminate her fixed-term appointment, effective 28 November 2025.

2. The Respondent filed a reply to the SOA on 25 November 2025, in which he submits, *inter alia*, that on 24 November 2025, the Management Advice and Evaluation Section (“MAES”) granted the Applicant’s request to suspend the implementation of the contested decision pending management evaluation. In support of this submission, the Respondent attached to the reply a letter from MAES to the Applicant granting her request for SOA pending management evaluation.

Consideration

3. In light of MAES’ decision to suspend implementation of the contested decision, the remedy sought by the Applicant has been realized, and accordingly, the application is moot.

Conclusion

4. In view of the foregoing, the application is dismissed as moot.
