ORDER

ON CASE MANAGEMENT

Counsel for Applicant:
Dorota Banaszewska, OSLA

Counsel for Respondent:
Jérôme Blanchard, UNOG

Introduction

1. On 29 March 2021, the Applicant filed an application to contest the decision of 2 October 2020 to reject his compensation claim under Appendix D to the Staff Rules and Regulations (“Appendix D”).
2. On 1 August 2021, the Applicant was informed that the originally contested decision was superseded by a fresh decision and that the Applicant was awarded compensation under Appendix D but not any interests or compensation for the delay.
3. On 29 September 2021, the Applicant submitted a management evaluation request to seek compensation for the delay.
4. On 1 November 2021, by Order No. 102 (NY/2021), the Tribunal suspended the current proceedings pending the result of the ongoing management evaluation filed by the Applicant on 29 September 2021.

Consideration

5. The Tribunal notes that the Applicant submitted a management evaluation request on 29 September 2021 to contest the lack of compensation for the delay. Considering the passage of time since the filing of his management evaluation request, the Tribunal instructs the parties to provide updates on the outcome of the Applicant’s management evaluation request and to confirm if there are any remaining issues relating to the contested decision.

IT IS ORDERED THAT:

6. By **4:00 p.m. on Wednesday, 2 March 2022**, the parties shall file a joint submission providing an update on the outcome of the Applicant’s management evaluation request dated 29 September 2021 and confirming what, if any, are the remaining issues relating to the contested decision.
