Introduction

1. By Order No. 098 (NY/2022) dated 27 October 2022, the Tribunal ordered (a) the Respondent to provide documentation for, or at least, references to, the factual submissions contained in paras. 29-36 of his reply by 3 November 2022, and (b) the Applicant to file his final observations to the Respondent's reply and additional submissions by 17 November 2022.

2. On 3 and 15 November 2022, the parties filed their respective submissions in response to Order No. 098 (NY/2022).

Consideration

Respondent's 3 November 2022 submission

3. In response to Order No. 098 (NY/2022), the Respondent submitted various documents, but no formal budgetary and/or financial records that demonstrate that the Applicant's post was, in fact, abolished. The Tribunal will therefore allow the Respondent to submit such documentation and for the Applicant to comment thereupon.

Applicant's 15 November 2022 submission

4. Appended to the Applicant's submission, he submits a range of additional written evidence regarding which the Respondent has not had the opportunity to make his observations, if any.

IT IS ORDERED THAT:

5. By **4:00 p.m. on Monday, 28 November 2022**, the Respondent is to provide:

- a. The formal budgetary and/or financial records demonstrating the abolition of the Applicant's post;

- b. His comments, if any, on the Applicant's 15 November 2022 submission;
6. By **4:00 p.m. on Monday, 5 December 2022**, the Applicant is to file his final observations to the Respondent's contentions and documentation. The submission shall not exceed five pages, using Times New Roman, font 12 and 1.5 line spacing.
7. Upon receipt of the Applicant's submissions, unless otherwise instructed, the Tribunal will proceed to adjudicate this matter on the papers before it.
