Third Financing for Development Conference

Addis Ababa, Ethiopia

The Global Financing Facility in support of *Every Woman Every Child* - a partnerships based financing mechanism and potential pathfinder for post-2015 financing - will be officially launched, alongside the showcasing of innovative and transformative financing approaches that will contribute to delivering results for the updated *Global Strategy for Women's, Children's and Adolescents' Health* and the SDGs.

This event is co-organized by the Governments of Canada, Norway and the United States, and the World Bank Group

No ticket is required to attend this event, but participants must already be accredited for the conference through the UN
