

Topic of the presentation:

“Panel on Forest Financing Related to Activities”

International Workshop:

“Forest Financing in Low Forest Cover Countries”

Niamey, Niger

Jan _ Feb 2012

By:

Dr. Mostafa Jafari

Head of TPS for LFCCs

Points of discussions:

1- Possible sources of forest financing in your country:

- Governmental budget
- International organization
- Multilateral
- Bilateral

2- Forest Finance resources in your country

3- Your expectation of receiving funds

4- Calculating unseen value

5- Your recommendation

1- Possible sources of forest financing in your country:

- Governmental budget
- International organization
- Multilateral
- Bilateral

2- Forest Finance resources in your country

- For the present time which kind of fund you are receiving in your country on forest financing?

3- Your expectation of receiving funds

- What is your expectation of receiving fund in your country for forest financing?
- How it is possible to encourage to provide that expectation?

4- Calculating unseen value

- What **quantitative** and **qualitative** value may be calculated for the forest and forest related **good and services**?

5- Your recommendation

- What is your **recommendation** for **new** and **additional** financial resources in forestry and forest related sectors?
 - Governmental budget
 - International organization
 - Multilateral
 - Bilateral

Thank you
