

MY FOREST | OUR FUTURE

CELEBRATING FORESTS FOR SUSTAINABLE DEVELOPMENT

The 'My Forest, Our Future' exhibit showcases inspiring heroes, films and photos awarded the Forests for People Awards. It is a celebration of the dynamic and unique relationship between forests and the people who depend on them.

Forest Heroes

innovative individuals who have made a difference for our forests, our trees and our communities.

Forest Film Festival

creative film makers who visually capture how forests inspire, shelter, nurture and contribute to our lives.

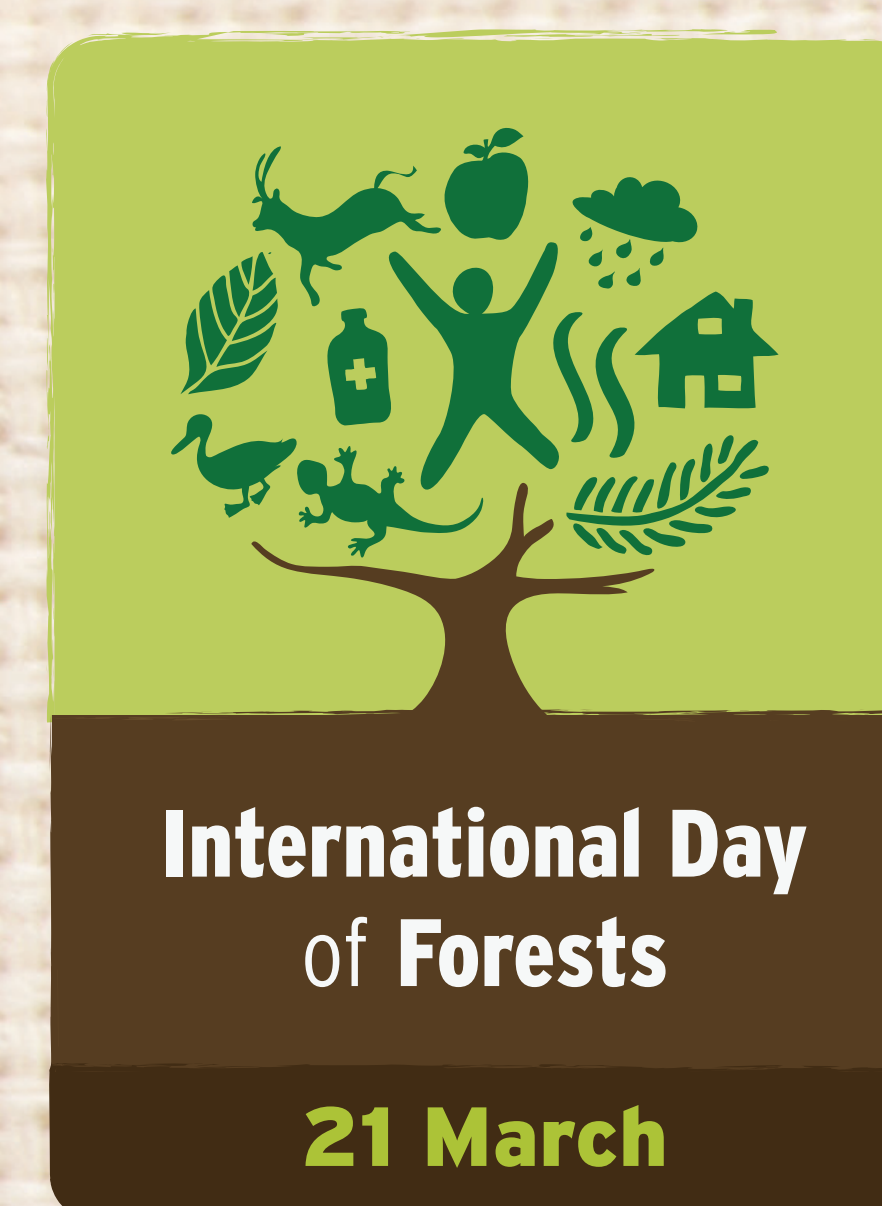

Forest Photograph Awards

amateur and professional photographers who showcase their personal and often extraordinary perspective of forests.

United Nations

Organized by the United Nations
