

Economic Commission for Latin America and the Caribbean (ECLAC)

Thank you very much for forwarding us the report of the 11th Session of the United States of the United Nations Forum on Forests. It is an important initiative that is contributing to the conservation and sustainable use of the world forests.

Regarding your request, ECLAC supports the proposals 44 (a) and (b). Proposal 44 (a) is coherent with the new United Nations agenda of development recently approved.

Best regards,
