

UNFFS @ Asia Pacific Forestry Week

ROOM: 305 | SONGDO CONVENIA CONVENTION CENTER

TUESDAY

18 June 2019

15:30 – 17:00

Incheon, Republic
of Korea

The session, as part of Stream 5 of the Asia Pacific Forestry Week “Innovating governance and Institutions” will share experiences and lessons learned in collecting and using forest monitoring frameworks for evidence-based policy making, reporting and analysis on Global Forest Goals 5 and the contribution of forest goods and services to the national development priorities including the sustainable development goals and targets. The panel will also share experiences in the development of VNCs in the region.

Global Forest Goal 5 of the United Nations Strategic Plan for Forests (UNSPF) and development of Voluntary National Contributions (VNCs) in Asia-Pacific
