- 1. According to the multi-year programme of work adopted in 2007, the overall theme of the eleventh session of the United Nations Forum on Forests (UNFF11) in 2015 will be "Forests: progress, challenges and the way forward for the international arrangement on forests (IAF)." At this session, the Forum will review the effectiveness of the IAF and decide on its future.
- 2. In preparation for UNFF11 in 2015, the Forum has made a number of decisions during the last fourteen years.² Most recently, Member States through Resolution 10/2 of UNFF10 decided to undertake several intersessional activities to ensure UNFF11 has a strong basis to review the effectiveness of the IAF and make a decision on the future of the IAF.
- 3. One of the three components of the intersessional activities on the IAF, as outlined in Resolution 10/2 of UNFF10, is to solicit views from Member States and other relevant stakeholders on the IAF. Specifically, the Resolution invites countries, the Collaborative Partnership on Forests, its member organizations, other relevant organizations, relevant regional and subregional forest-related mechanisms, institutions, instruments, organizations and processes, major groups and other stakeholders to submit views and proposals to the Forum's Secretariat on the six key issues set out in paragraph 5 of the same resolution, and the full range of options on the future international arrangement on forests. The UNFF Secretariat should provide the compilation of these views and proposals to the first meeting of the ad hoc expert group (AHEG1) on the IAF3.
- 4. This format has been prepared by the Forum's Secretariat to facilitate submission of the inputs on electronic the AHEG1. The version of this format is (http://www.un.org/esa/forests/docs/Views-on-IAF.doc). Member States and other relevant stakeholders are invited to download this format and use it to submit their views and proposals in English. The explanation in each box should not exceed 150 words. - C.5 Please explain how implementation of the forest instrument has contributed to the implementation of forest-related international conventions, and vice versa: Implementation of the forest instrument ensures coordinated and interactive cooperation between the UNFF and relevant global and regional MEAs is absolutely necessary. Achievements and findings of forest instrument should be taken into account by secretariats of MEAs and activities of UNFF should be guided by MEAs. Insure that forest issues are adeqiately explained in these MEAs.
- C.6 Please describe how the forest instrument and the GOFs can contribute to the post-2015 UN development agenda and the Sustainable Development Goals: To put special clauses in post-2015 UN development agenda for developing countries as well as for countries in transition, as they should take special efforts to improve the management of their forests, inter alia, to mobilize financial resources and support.

Section F: Financing options and strategies

F.1 Please provide views on financing options and strategies, including the creation of a voluntary Global Forest Fund, to generate resources from all sources for sustainable management of all types of forests and trees outside forests: Creation of Global Forest Fund is a good idea, one of the main contributors should be forest companies dealing with forest harvesting (transfer of small part of their profit).

F.2 Please suggest concrete steps that UNFF, CPF members and other organizations should undertake to develop forest financing options: Option is the creation of separate section or direction in GEF.
