Arrangements for the high-level event on the Millennium Development Goals

United Nations Headquarters, 25 September 2008

Information note to delegations

I. Introduction

1. Since 2000, the Millennium Development Goals have provided a global framework to tackle the world's most urgent development challenges by 2015. Over the years, the goals have become a catalyst for global action for international cooperation between developed and developing countries and contributed significantly to improving the lives of millions of people. Yet progress is uneven, and many countries remain off track. Recent developments, such as the effects of climate change and rising food prices, as well as the current international financial instability, are threatening the attainment of the Millennium Development Goals and could undo important gains made in fighting poverty, hunger and infectious diseases.

2. The Secretary-General and the President of the General Assembly at its sixty-second session decided to convene a high-level event on the Millennium Development Goals in New York on 25 September 2008, in the context of the general debate of the sixty-third session of the General Assembly. The main objectives of the event are to review progress and take stock of existing gaps at the midway point in the global effort to achieve the Millennium Development Goals by 2015, identify concrete actions needed to scale up efforts to that end and help ensure that the goals and international targets remain on track and that the momentum is maintained beyond 2008. The Secretary-General and the President of the General Assembly have encouraged the participation of all heads of State or Government in the high-level event and have issued invitations to that effect. The event will be open to the media.

3. The high-level event will open with a brief meeting in the General Assembly Hall. Immediately following the opening meeting there will be three parallel round tables on poverty and hunger; education and health; and environmental sustainability. Gender equality and global partnership for development will be addressed as cross-cutting themes in all three round tables. A background note by the Secretary-General with five sections addressing each of the round-table topics as well as the cross-cutting themes was issued on 25 July to facilitate discussions. Supporting background documentation, including the report of the Millennium Development Goal Africa Steering Group, the Report of The Millennium Development Goal Gap Task Force and *The Millennium Development Goals Report 2008*, will be available to facilitate discussion. Leaders are invited to speak for three minutes in one round table of their choice. All Member States are invited to attend all three round tables. The morning and afternoon meetings of the round tables will be held in large conference rooms to be announced closer to the day of the event.

4. The closing meeting of the high-level event will take place in the Trusteeship Council Chamber from 5.30 p.m. The Secretary-General will provide a summary of the main themes and issues arising at the opening segment and during discussions in the three round tables. The summary will also reflect the outcomes of key partnership events organized alongside the high-level event.

II. Arrivals and departures

5. Arrangements for the high-level event will be the same as those for the general debate of the sixty-third session of the General Assembly (see A/INF/63/3).

III. Schedule

6. The high-level event will be held according to the following schedule:

<i>Time</i>	<i>Programme</i>
8.45-10 a.m.	Opening plenary meeting (General Assembly Hall)
10 a.m.-1 p.m.	Thematic round tables (to be held in parallel; conference rooms to be announced at a later stage)
	Thematic round table I
	Poverty and hunger
	Thematic round table II
	Education and health
	Thematic round table III
	Environmental sustainability
3-5.30 p.m.	Thematic round tables (<i>continued</i>)
5.30-5.45 p.m.	Closing plenary meeting (Trusteeship Council Chamber)

7. At the opening of the high-level event, the Secretary-General will make an introductory statement. Thereafter, the President of the General Assembly will make a statement. A small number of additional statements will be made by guest speakers invited by the Secretary-General.

8. The high-level event will conclude with brief statements by the Secretary-General and the President of the General Assembly.

9. The meetings (morning and afternoon) of each thematic round table will be chaired by two co-chairs at the level of head of State/Government.

10. The opening and closing of the high-level event, as well as the three parallel thematic round tables, will be broadcast on United Nations Television and on the Internet through a webcast.

IV. Participation in the round tables

11. Member States are invited to inform the Secretariat of their choice of a round table, indicating a first and second choice, in case any particular round table is oversubscribed. Every effort will be made to accommodate such preferences. Delegations are requested to provide the name and title of the respective high-level

official who will speak at the round table as soon as possible to allow time for the appropriate arrangements to be made.

12. In order to ensure equitable geographical balance in the three round tables, the maximum number of participants from each regional group shall be distributed as follows:

African States	18 Member States
Asian States	18 Member States
Eastern European States	8 Member States
Latin American and Caribbean States	11 Member States
Western European and other States	9 Member States

13. A Member State which is not a member of any of the regional groups, the Holy See in its capacity as observer State and Palestine in its capacity as observer may participate in any one of the round tables.

14. Inscription on the round-table lists shall be on a first-come first-served basis, taking into account the maximum number for each regional group, on the understanding that the total number of Member States participating in each round table shall not exceed 64. Inscription can be arranged with the General Assembly Affairs Branch (room S-2994 B; tel.: 212 963 2333; fax: 212 963 3783).

15. Each head of delegation speaking at a thematic round table may be accompanied by one adviser. In the two thematic round tables at which the head of delegation will not be speaking, two seats will be reserved for each delegation.

16. In order to accommodate all speakers, **statements should not exceed three minutes**, on the understanding that that will not preclude the distribution of more extensive texts. To facilitate the observance of the time limit, a light system may be installed on the lectern to signal the approach of the three-minute limit.

V. Outcome

17. The primary outcome of the high-level event will be the Secretary-General's summary of the way forward, based on the discussions in the three round tables, taking into account the opening segment and outcomes of key partnership events organized in the margins of the event. There will also be a compilation of the outcomes of the key partnership events, reflecting fresh and renewed commitments, and announcements of new initiatives and action by stakeholders. Those outcomes will be posted on the website for the high-level event at <http://www.un.org/millenniumgoals/2008highlevel>.

VI. Partnership events

18. Partnership events by a variety of constituencies are expected to take place in the margins of the high-level event. It is likely that there will be a range of events of various types, including special events with guest speakers, multi-stakeholder discussions and press launches of new initiatives. The aim will be to share success

stories and lessons learned, provide opportunities to forge new partnerships and achieve commitments to concrete next steps to fill in gaps or scale up efforts.

19. Owing to security and space constraints, most of those events will take place outside the main United Nations building before the day of the high-level event. Member States should note that there are serious space constraints, and they are encouraged to organize joint, rather than individual, partnership events.

20. Information on partnership events will be posted on the high-level event website.

VII. Statements, documentation and interpretation

21. A minimum of 30 copies of texts of statements to be delivered at the high-level meetings should be submitted in advance to the Secretariat; failing this, delegations are urged to provide six copies for the interpreters before the speaker takes the floor. If a delegation wishes to have the text of a statement distributed to all delegations, observers, specialized agencies, interpreters, record-writers and press officers, 350 copies are required. For information about the distribution of the texts of statements to the press, please see section X below.

22. Given the nature of the security arrangements that will be in place for the high-level event, the texts of statements should be delivered to the receiving area located at the rear of the General Assembly Hall between the hours of 7.30 a.m. and 8.45 a.m. by a delegation representative in possession of a valid United Nations building pass. Access will be through the 46th Street gate to the Visitors Entrance, through the electronic screening area to the elevators on the west side of the Lobby to the receiving area, where a representative of the Secretariat will accept the texts at a special counter. The texts of speeches will be accepted on the day of the event only.

23. Statements made in any of the six official languages of the United Nations are interpreted into the other official languages. Any speaker may also make a statement in a language other than the official languages. In such cases, rule 53 of the rules of procedure of the General Assembly will apply, requiring the delegation in question to provide either an interpreter from the non-official into an official language or a written text of the statement in one of the official languages to be read out by a United Nations interpreter. On the basis of this interpretation or the written text which is accepted by the Secretariat as representing the official text of the statement, it will be interpreted into the other official languages by United Nations interpreters. When a written text is provided, the delegation concerned should make available to the interpreter someone who knows the language in which the statement is to be delivered and the official language into which it has been translated, to guide the interpreter through the translated text and to ensure synchronization between the speaker and the interpreter. Detailed arrangements for interpretation from non-official languages, including access by non-United Nations interpreters to the interpreters booths in the General Assembly Hall, must be made in advance through the Meetings Management Section (tel.: 212 963 8114; fax: 212 963 7405; e-mail: emeetsm@un.org).

VIII. Protocol accreditation and access arrangements for Member States, observers, intergovernmental organizations, specialized agencies and associate members of regional commissions

Accreditation

24. Accreditation of official delegations and members of the parties of heads of State/Government, Crown Princes/Princesses and Vice-Presidents will be carried out by the Protocol and Liaison Service. Missions are kindly requested to communicate the names, functional titles and affiliations of all the members of the respective delegations, together with the SG.6 form, entitled "Registration of members of delegations to temporary meetings",¹ duly filled out, to the Chief of Protocol (room S-0201; fax: 212 963 1921).

25. Once the lists of delegates, together with the SG.6 forms, have been received at the Protocol and Liaison Service, they will be reviewed for authorization. To ensure the issuance of United Nations grounds passes in a timely manner, the following procedures will be followed:

(a) **Applications received in the office of the Protocol and Liaison Service before close of business on Friday, 12 September 2008** will be available for collection starting Monday, 15 September 2008;

(b) **Applications received in the office of the Protocol and Liaison Service after close of business on Friday, 12 September 2008** will be available for collection 48 hours (two working days) after submission.

Representatives of Permanent/Observer Missions, intergovernmental organizations, specialized agencies and associate members of regional commissions are requested to deliver the authorized applications to the delegates who will proceed to the pass and identification unit for processing. If the name and photograph of a delegate are already in the computer system of the Pass and Identification Office, his/her pass may be collected by a representative of the Permanent/Observer Mission in the absence of the delegate, upon presentation of the authorized application and a valid United Nations grounds pass. Otherwise, delegates who are in need of a photo ID are required to take their SG.6 forms to the Pass and Identification Office at 45th Street and First Avenue to have a photograph taken and a pass processed.

26. Heads of State/Government, Vice-Presidents, Crown Princes/Princesses and their spouses will be offered VIP passes without photographs. Cabinet ministers and spouses thereof will be provided with VIP passes with photographs. In order for a VIP pass to be issued, appropriate requests and two colour passport-size photographs should be submitted in advance to the Protocol and Liaison Service.

27. **Delegations wishing to send colour photographs for their VIP passes by e-mail must scan the official letter and photograph, and send them together in one complete package to chuaw@un.org. Colour photographs must be in jpeg format only.**

¹ SG.6 forms may be downloaded from <http://www.un.int/protocol>.

28. A separate list specifying the names as well as the occupations (aides de camp, interpreters, physicians, etc.) of the members of the party of the head of State or Government who require access to the United Nations must be submitted together with the SG.6 forms to the Protocol and Liaison Service. Passes for members of security details accompanying VIPs will be issued by the United Nations Security and Safety Service (tel.: 212 963 7531). Passes for media personnel will be handled by the Media Accreditation Unit (tel.: 212 963 6934).

29. The working hours of the Accreditation Unit in the Protocol and Liaison Service (tel.: 212 963 7181) and the United Nations Pass and Identification Office (ground floor of the UNITAR Building, 45th Street and First Avenue (tel.: 212 963 7533)), in the days prior to and during the general debate, will be posted at the Protocol website (www.un.int/protocol) and at the entry to the respective offices.

Access to meeting rooms and restricted areas

30. During the high-level event on 25 September 2008, access to meeting rooms and restricted areas will be provided on the basis of regular delegates passes plus a secondary, colour-coded, access card. (a) Every Permanent Mission will be issued six cards of one colour for access to the General Assembly Hall for the opening and closing sessions;

(b) Each intergovernmental organization will be issued two colour-coded access cards and each specialized agency will be issued one colour-coded access card for access to the General Assembly Hall;

(c) Those cards will also be valid for access to the meeting rooms where the round tables will take place.

31. Seats will be reserved in a VIP area for spouses of the heads of State/Government, Crown Princes/Princesses, Vice-Presidents and Cabinet ministers participating in the event, provided that the Chief of Protocol is notified in advance of their attendance at the session.

32. Colour-coded access cards for the high-level event should be collected from the Protocol and Liaison Service, room S-0201 P (tel.: 212 963 7181) on or after 18 September 2008, between 10 a.m. and 2 p.m.

Alternatively, clear copies of statements, printed on one side only, should be dropped off at room S-1037 A. Queries should be directed to the United Nations Webcast service (212 963 6733).

Pool coverage

63. Nearly all visual media coverage will be handled by selected media pools, owing to logistical and space considerations. The pools are reserved exclusively for United Nations Television, United Nations photographers, international wire services and photo agencies. In the case of print media, the United Nations Correspondents Association will notify the Department of Public Information of its representative.

64. The official media accompanying a head of State or Government or head of delegation, including the official photographer, will not be permitted to participate in the pools. Media accompanying heads of State or Government will be able to cover all activities of their delegation, if approved by the delegation.

65. Official photographers and television crews will have an opportunity to cover the speech of their head of State or Government or head of delegation on a rotating basis from the press booths surrounding the meeting halls. Owing to space limitations, they may not remain in the booth to cover other speeches. A limited number of still photographers, escorted by media liaison staff, will also be allowed to take photographs from the bridge at the back of the meeting halls during speeches. Those operations will be coordinated by the liaison officers accompanying the media.

Tickets for the press galleries in the meeting halls

66. A limited number of tickets are available for media representatives for the press galleries in the meeting halls. The Media Liaison Desk on the third floor will distribute tickets on a first-come first-served basis 30 minutes before the meeting.

Copies of speeches for the press

67. Delegations wishing to make available the text of the speech by their head of State or Government or head of delegation are asked to bring 50 copies to the media overflow/working area in Conference Room 1 (located in the first basement (1-B)) and an additional 50 copies to the media documents counter, room S-394, in the

third floor press area (tel.: 212 963 2479/7166). No photocopying facilities will be available for that purpose.

United Nations press release coverage

68. The Department of Public Information will provide press release coverage in English and French of the high-level meetings and open meetings of the General Assembly at its sixty-third session, as well as summaries of press briefings and events. Press releases may be obtained from the media overflow/working area, the media documents counter in the third floor press area or the United Nations website (www.un.org/apps/pressreleases). Further queries should be directed to the Press Service (tel.: 212 963 7211/2360 (English); 212 963 7191 (French)).

As media events are subject to change, journalists should consult the daily Media Alert, which is updated regularly (<http://www.un.org/media/accreditation/mediaalert.asp>). An updated schedule of press conferences can also be found at <http://www.un.org/news/ossg/conf.htm>. Coverage of bilateral meetings

73. Photo opportunities will be available for bilateral meetings that are open for coverage, when designated as such by the press attachés of the respective Member States. Media representatives covering those meetings will be informed of such opportunities by the appropriate mission press attachés. It will be the responsibility of the press attachés to inform the Media Liaison Desk of such opportunities and the media representative will then be escorted by a liaison officer. The Media Liaison Desk is situated on the third floor, behind the General Assembly Hall.

XI. Arrangements for bilateral meetings

74. Arrangements for the high-level event will be the same as those for the general debate of the sixty-third session of the General Assembly (see A/INF/63/3).

Facilities

75. For bilateral meetings among Member States, a limited number of suitably appointed temporary booths, each able to hold a maximum of eight participants, will be available in the Public Lobby and on the second, third and fourth balconies of the General Assembly Building (for contact information, see section XV below)

Reservation system

76. A reservation system was established through eMeets (emeets.un.org) as of August 2008 in order to provide equitable and efficient use of the facilities and is accessible to all Permanent and Observer Missions for that purpose. The electronic request should specify the date and time of the meeting and should include the name of the other delegation participating in the meeting. Venues for photo opportunities in connection with bilateral meetings will be available close to the temporary meeting rooms.

77. Electronic acknowledgement of receipt of each request will be given shortly after submission. Confirmation of room assignments will be provided on the day prior to the meeting. Depending on the programme, every effort will be made to keep consecutive appointments of the same delegation in the same booth. Last-minute requests will be accommodated subject to availability of space.
